( 6) Reasons why I am against the National Popular Vote Compact in Michigan.

- 1) Opens up a whole new set of election voter problems
- 2) Weakens the electoral process
- 3) Popular Vote can be changed back to electoral vote after election
- 4) Only came up because of Al Gore loss , hanging chads, and Supreme Court ruling.
- 5) Tweaking the system after all these years will only add to voter distrust of the system
- 6) With congress popularity down to 9% now is a bad time to get clever
